Hanuman Jayanti celebrates the birth of Lord Hanuman. Hanuman was the son of Anjana, a female spirit of the clouds and waters, and Desari, the chief of the *vanara*, a group of powerful monkey people who lived in the forests. Some texts identify Hanuman as an incarnation of Shiva, but Hanuman is best known for his role in the epic poem and sacred text the Ramayana, "Rama's Journey.". Anjaneri being the birth place of Lord Hanuman and our college being situated at Anjaneri. This Jayanti is celebrated with great pomp and joy.

The National Education Policy (NEP) 2020 is a comprehensive policy document that outlines the vision and roadmap for the development of education in India over the next few decades. Although the NEP is an excellent document that reflects research and evidence, delivering on its promise will require sustained attention to implementation. The glaring gaps between the high quality of policy and programme design on one hand, and the low quality of implementation on the other, are widely recognized in India across many dimensions of public policy. These challenges were discussed by our guest lecture by a great dignitary Dr. Kavita Salunkhe mam from YCMOU University who had herself worked in drafting the NEP 2020. It was great to hear a lecture from such a knowledgeable person.

### Feedback:

## Report:

'Har Ghar Tiranga' is a campaign under the motive of Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home and to hoist it to mark the 75th year of India's independence. Our relationship with the flag has always been more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation-building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag. To commemorate with this motive Brahma valley College of Education celebrated Har Ghar Tiranga activity on 14 August 22 where every student took Tiranga home so that they could hoist it at their home next day i.e., on Independence Day.

## Feedback:

Students actively participated in this activity. They felt the sense of patriotism and ensured that they would commit themselves for nation building.

### Report:

The worst form of abuse for the human body comes from drugs. They destroy a person from inside outwards. It starts affecting the organs eventually reaching the brain and can even become fatal when taken in a large quantity or for a long time. Drugs are usually taken because they seem to be a temporary solution of a problem or they provide solace by calming the senses, but that also shows how detrimental they can prove to be to one's health. Playing with the nervous system can never turn out to be good in the longer run. To make the students understand the consequences of the drugs Brahma Valley college education organized Rangoli competition with the theme 'Say no to drugs' on International day against drug abuse.

### Feedback:

Students actively participated in the activity. They showed their creativity in their work. Students also took oath that they would never touch the drugs whatever situation may come.
